Stores food and drinks effortlessly with removable wire baskets. Available on the CFF35 pack, CFF45 pack and CFF70DZ pack models.

Dometic CFF 12

Compressor fridge or freezer, 13 l

- Energy efficient design provides fast and excellent cooling, even in extremely high outside temperatures
- Seat belt slot for in-vehicle fixing and shoulder carry strap
- Flexible cup holder can be removed to access a small storage compartment
- Temperature is adjustable between +10 °C and -18 °C
- Holds 17 Cans (375ml)

Dimensions (W x D x H) mm: 235 x 562 x 380
Weight (kg): 9.5

Dometic CFF 18

Compressor fridge or freezer, 19 l

- Energy efficient design provides rapid cooling, even in high outside temperatures
- Bail style handle
- Digital temperature display for easy monitoring and adjustment
- Includes removable internal divider for flexible storage
- Holds 24 Cans (375ml)

Dimensions (W x D x H) mm: 510 x 326 x 422
Weight (kg): 9.8

Dometic CFF 20

Compressor fridge or freezer, 21 l

- Energy efficient design provides rapid cooling, even in high outside temperatures
- Strong handles for carrying convenience, can also act as safety tie down points
- Digital temperature display for easy monitoring and adjustment
- Holds 27 Cans (375ml)

Dimensions (W x D x H) mm: 283 x 660 x 430
Weight (kg): 10.8

Dometic CFF 35 Pack

Compressor fridge or freezer with protective cover, 34 l

- Double-sided lid for user-friendly opening
- Single compartment allows either refrigeration or freezing
- Can be set between 10°C and -18°C, with the ability to run at -18°C up to 50°C below ambient temperature
- Includes protective cover with pockets for storing power leads and other fridge accessories
- Holds 48 Cans (375ml)

Dimensions (W x D x H) mm: 715* x 398 x 407 (*590 without handles)
Weight (kg): 17.6

Dometic CFF 45 Pack

Compressor fridge or freezer with protective cover, 44 l

- Double-sided lid for user-friendly opening
- Single compartment allows either refrigeration or freezing
- Can be set between 10°C and -18°C, with the ability to run at -18°C up to 50°C below ambient temperature
- Includes protective cover with pockets for storing power leads and other fridge accessories
- Holds 62 Cans (375ml)

Dimensions (W x D x H) mm: 715* x 398 x 475 (*590 without handles)
Weight (kg): 18.9

Dometic CFF 70DZ Pack

Compressor fridge and freezer with protective cover, 70 l

- 70 (40/30) l of storage for convenient cooling
- Dual storage compartments with independent temperature control for simultaneous cooling and freezing
- Can be set between 10°C and -18°C, in either compartment
- Includes protective cover with pockets for storing power leads and other fridge accessories
- Holds 105 Cans (60/45) (375ml)

Dimensions (W x D x H) mm: 914* x 443 x 500 (*785 without handles)
Weight (kg): 26.4

Stainless Steel Cap
Suits 500ml, 900ml, 1200ml and 1920ml thermo bottles

CRX REFRIGERATORS

The compressor refrigerators in the CoolMatic CRX series are ingenious quick change artists. Their trick is no secret, but a patented Dometic invention. The freezer compartment can simply be pulled out to make room for a larger fridge or short-term freezer (excluding CRX110 & CRX140 Models with fixed freezer compartment). The desired temperature is set on the soft touch control panel which is mounted flush in the inner wall and elegantly integrates the LED light. There’s smart electronics behind it: the system regulates the compressor speed therefore achieving energy savings of up to 25%. Small or medium-sized motorhome or boat, single person or big family – nobody has to go without a Dometic CoolMatic refrigerator.

FEATURES

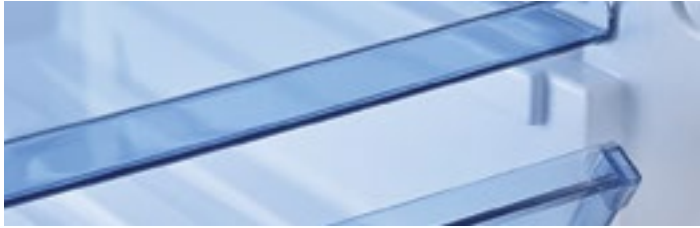

Adjustable shelves
Easily change the height of the shelves to suit any size bottle.

Two in one
The fridge’s control panel also has an integrated light.

Organised storage
The fridge interior is well organised with shelves.

Seperate storage
The separate compartment is ideal for storing fresh fruit and vegetables.

Dometic CoolMatic CRX 50
Compressor Refrigerator 47 l, 12/24 & 240V

- Total Capacity: 47 l
- Variable Motor Speed Optimisation ensures excellent energy efficiency
- CFC-free polyurethane foam provides excellent insulation
- Fully hermetic compressor with integrated control electronics

Dimensions (W x D x H) mm: 380 x 500 x 534
Weight (kg): 17.4

Dometic CoolMatic CRX 65
Compressor Refrigerator 60 l, 12/24 & 240V

- Total Capacity: 60 l
- Variable Motor Speed Optimisation ensures excellent energy efficiency
- CFC-free polyurethane foam provides excellent insulation
- Fully hermetic compressor with integrated control electronics

Dimensions (W x D x H) mm: 448 x 545 x 525
Weight (kg): 19.8

Dometic CoolMatic CRX 80
Compressor Refrigerator 81 l, 12/24 & 240V

- Total Capacity: 81 l
- Variable Motor Speed Optimisation ensures excellent energy efficiency
- CFC-free polyurethane foam provides excellent insulation
- Fully hermetic compressor with integrated control electronics

Dimensions (W x D x H) mm: 475 x 528 x 640
Weight (kg): 22

EFFORTLESS OUTDOORS

Whether you're planning a long summer holiday, a weekend adventure or an unforgettable festival experience, Dometic has a tent to suit. Dometic is here to help you master your outdoor gear organisation and storage, with options designed to make it simple to pack, stack, transport, and unload your outdoor essentials.

CAMPING TENTS

Whether you’re planning a long summer holiday, a weekend adventure or an unforgettable festival experience, Dometic has a tent to suit. Unbeatable specification and an abundance of living space keep you comfortable wherever you go. Incorporating the highest quality materials, function and design has resulted in the finest range of tents for you and your family – giving you the freedom to explore the outdoors.

AIRFRAME TECHNOLOGY

Dometic inflatable tents will transform your camping experience. Our reliable AirFrame system uses single or multiple inflation and deflation points for the most straightforward, time-saving tent set up and takedown. Not only is the AirFrame extremely strong, it can flex in the wind too, meaning you’ll never break or bend a pole. Each tent comes with a manual hand pump or for maximum convenience, simply plug in the optional Gale 12 V pump to make set up even easier.

Focusing on ease of use and function, AirFrame tents are extremely durable, maintenance-free and strong.

TENT KEY FEATURES

Innovative camping features to enhance your camping experience.

CLIMATE CONTROL

High and low level vents as well as gusseted windows create airflow to ventilate your tent. Ventilation helps prevent condensation and improves comfort.

MULTI POINT INFLATION

Each AirPole is made of a strong TPU inflation tube that is zipped into a tough reinforced polyester cover.

SLEEP-TITE DARKENED BEDROOMS

Removable inner tents use dark materials to help block out early sunlight for a good night’s sleep.

SINGLE POINT INFLATION

Conveniently inflate the entire AirFrame from just one external inflation point.

QUICKPITCH™ GUYING SYSTEM

Heavy-duty straps can be pegged out in seconds. Peg the bottom strap taut and adjust the top buckle to apply tension.

WIDE BEDROOMS

On average, Dometic bedrooms are one of the widest available, ensuring a comfortable night’s sleep.

CABLE ENTRY POINTS

For added convenience, all tents have zipped cable entry points for 12 V and mains cable access.

3 YEAR WARRANTY

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

TENT MATERIALS

The highest specification fabrics designed to last.

WEATHERSHIELD™ TC

High quality Weathershield™ technical cotton (TC) material allows the tent to breathe, reducing condensation and helps to regulate the interior temperature on hot days. All the protection with superior comfort.

WEATHERSHIELD™ 68D

Super lightweight Weathershield™ 68D offers the fastest set up and takedown. Highly weather-resistant, this easy to handle polyester offers exceptional value and advanced protection against UV degradation.

WEATHERSHIELD™ REDUX

Waterproof, lightweight, and environmentally responsible. This polyester is woven from recycled plastic bottle yarn, providing reliable protection from the elements without compromise.

CAMPING TENTS

- Inflatable 1 person swag, with Adjustable poles & pitching straps for entry
- Integrated 5cm thick inflatable mattress (max 2 PSI)
- Single point Inflation

Dimensions (W x D x H) mm: 900 x 2550 x 900
Weight (kg): 8.45

CAMPING TENTS

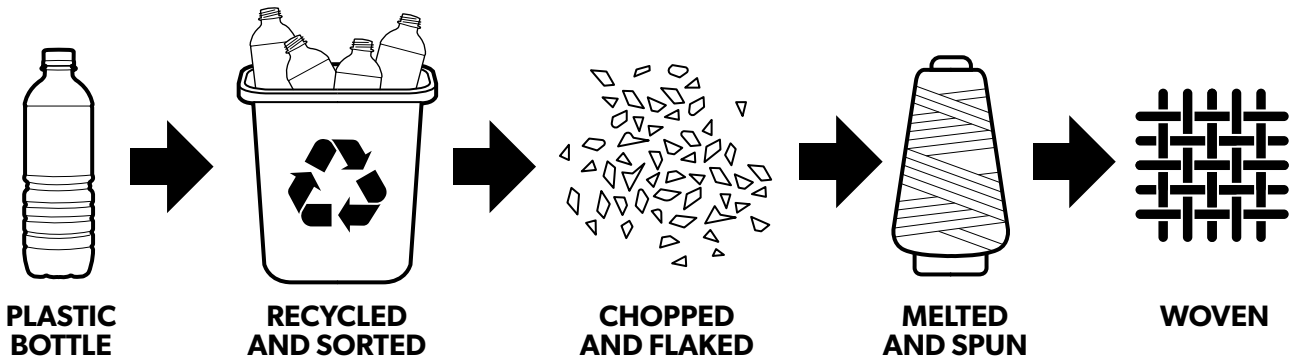

New Weathershield™ Redux Material

We love the outdoors. As pioneers in the mobile living arena, we are committed to driving sustainability in our industry. Because we want nature to be a resource for everyone to enjoy and explore. Forever.

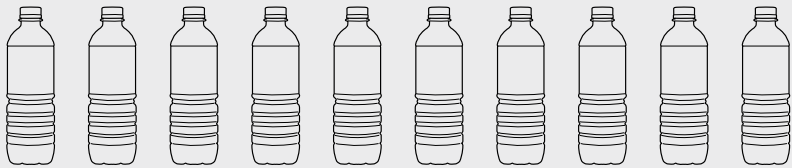

The new Weathershield Redux material used on our Redux tents is an important step towards our collective goals. Plastic waste is a major environmental issue but we can play our part by turning a problem into a solution. The material name, Redux, meaning

‘brought back’, hints at the responsible construction of our new awnings, tents and furniture. Weathershield Redux is made from 100% recycled plastic bottles and is Global Recycled Standard certified. This new material is only one of the many ways Dometic is ensuring future sustainability across the whole company, to balance our environmental, economic and social impact.

We’re now on the move to a better tomorrow, but we’re not there yet.

TEN 0.5L PLASTIC BOTTLES = 1 METRE OF REDUX MATERIAL

Dimensions (W x D x H) mm: 2050 x 785 x 510

Weight (kg): 9.56

A group of four people are gathered around a wooden camp table at night, playing cards. A man in a grey beanie and brown jacket sits at the top right, dealing cards. A woman with long blonde hair in a white jacket sits at the bottom right. A woman in an orange jacket sits at the top left, and a man in a green jacket sits at the bottom left. The table is lit by a glowing lantern and a campfire in the background. Various items like mugs, a thermos, and playing cards are on the table.

PACK, STACK & GO

We all want to spend more time outdoors. What if getting there was as easy as a split-second decision? Designed with outdoor adventures in mind, Dometic GO equips you to get out faster, stay out more comfortably, and embrace the outdoors with family and friends. With lightweight, resilient gear designed to fit seamlessly into the back of your car, Dometic GO makes getting on the road and getting outdoors effortless. Get going, and get exploring, with Dometic GO.

DOMETIC GO COLLECTION

DOMETIC GO is a collection created for the car that makes outdoor living easier than it’s ever been. With everything from furniture, storage, and water containers, it all works together and fits seamlessly into the back of your car. Now you have many more reasons to say “yes” rather than “no” to the outdoors. With DOMETIC GO, you’re good to go.

LEARN MORE

A collection of products created to make outdoor living easier than it’s ever been.

All designed to fit seamlessly into the back of your car.

Everything you need

Included USB charging cable and hook

STAY OUTDOORS LONGER

You're in a remote location, at least an hour's drive from the nearest power source. You need power to run your appliances. No problem. We provide a complete range of portable batteries and energy efficient inverters and chargers.

WHEREVER.
WHENEVER.

BATTERIES

Battery packs are a great portable power source when going away on short camping trips. Not only does it have the benefits of a dual battery system that is often fitted in your 4WD or boat, it also has the added value of being extremely convenient and flexible as it's portable. Thus, you can take your battery pack with you anywhere or you can fit it permanently into your vehicle.

Dometic PLB40

Portable lithium battery, 40 Ah

- Three-way charging via 12 V socket, solar panel or AC house power
- Extremely lightweight, ergonomically designed stainless steel carry-handle
- Built-in LCD screen displays: capacity, charging status and output
- Refrigerates and deep-freezes to -22°C
- Powerful battery cells provide 512 Wh of energy, 40 Ah

Dimensions (W x D x H) mm: 197 x 197 x 257

Weight (kg): 7.54

Dometic CoolPower RAPS44

Battery pack

- 44 Ah deep cycle AGM battery cells
- Benefits of dual battery systems that are normally fitted permanently into cars, 4WD's, trucks and boats, except that it is portable, for added flexibility and convenience
- Dual output sockets (12 V and Hella)
- Built-in charging posts for charging via 240 V DC charger (240V DC charger not included); 1.5 m 12 V charging lead

Dimensions (W x D x H) mm: 230 x 227 x 245

Weight (kg): 13.5

INVERTERS

Dometic PerfectPower MCI-150-12
Power inverter

- Compact: the size of a drinks can, it will conveniently fit in vehicle’s cup holder
- 150 W continuous output, with a peak output power 250 W
- USB output for charging
- Overload, short circuit, high voltage and battery polarity protection system

Dimensions (W x D x H) mm: 66 x 173 x 66
Weight (kg): 0.49

Dometic SinePower MSI 412
Pure sine wave inverter, 350 W

- Suitable for supplying sensitive devices
- 350 W continuous output, with a 700 W peak output
- 230 V AC – like at home

Dimensions (W x D x H) mm: 124 x 199 x 49
Weight (kg): 0.8

CHARGERS

Dometic PBC110
Portable battery charger, 10 A

- Adjustable charging current for maintaining a perfect charge
- Can charge common battery types, including LiFePO4, AGM, GEL and Sealed Lead Acid batteries
- Protection systems prevent reverse polarity, short-circuiting, and internal overheating
- Temperature sensor automatically adjusts charging curve based on ambient temperature

Dimensions (W x D x H) mm: 205 x 90 x 52
Weight (kg): 1

STEP OUTSIDE IN COMFORT

Enjoy all your favourite meals on your next adventure. Dometic stoves have been designed for easy transportation and storage, and are simple to use too, thanks to the Piezo gas ignition system. Away for an extended time or in a remote location? No problem, Dometic portable gas stoves boast reliable cooking performance and are straightforward to clean, so you can enjoy the comfort of fresh, hot, healthy meals trip after trip.

OUTDOOR COOKING

You may be far from home, but that doesn't mean you can't enjoy a delicious home cooked meal – using local ingredients. Dometic's cooking solutions help make your journey even more pleasurable with a range of innovative products for your next camping trip.
