# MOBILE LIVING MADE EASY.

## Welcome to Dometic!

Millions of people around the world use Dometic products. They are RV users, boat owners, campers. Lovers of the outdoor life. All part of a growing movement - a longing for freedom and adventure, a desire to explore the world and to stay away longer. We call it mobile living, and we create the building blocks for a lifestyle. Our mission is to make mobile living easy.

Dometic is a global company with a long history in creating market-leading products for outdoor, home and professional use. We listen to all our customers no matter where they are, constantly exploring new opportunities to develop our products and solutions. With nearly 40,000 resellers and repair shops around the world, you can find us wherever you go.

It should be easy to call the whole world your home. Even if you are far from anything you would normally call civilization. We offer smart and reliable products with outstanding design for every aspect of your days away. Cooking, keeping food fresh, personal hygiene, maintaining a pleasant temperature. And more.  
Live well – wherever, whenever.

## CLIMATE

Dometic provides a complete range of air conditioners, awnings, climate control systems and much more to keep your RV comfortable – no matter where you are.

**PAGE 8 – 45**

## FOOD & BEVERAGE

Just because you're far from the nearest restaurant, it doesn't mean you can't enjoy a delicious meal, washed down with a cold beverage. Dometic's range of reliable, high-performance solutions will keep you well fed and refreshed.

**PAGE 46 – 89**

## HYGIENE & SANITATION

Maintain a fresh and pleasant environment on board your boat or RV, with Dometic's range of hygiene and sanitation solutions. Supported by decades of research, we have developed a comprehensive range of sanitation products to promote comfort while catering to an essential need.

**PAGE 90 – 99**

## POWER & CONTROL

Smart electronics and handy accessories ensure you will always have enough power on board, even in remote locations where main power is unavailable.

**PAGE 100 – 109**

## SAFETY & SECURITY

To make your trip easier and more relaxing, we offer a range of safety and security solutions, including safety doors, alarms, and safes.

**PAGE 110 – 115**

### DOMETIC ON THE WEB

Here's where you can find the complete Dometic range, with detailed information about all products. Plus, interesting facts about our company and download links for all our catalogues.

[dometic.com](https://www.dometic.com)

Living up to our mission "Mobile living made easy", we have created some innovations that give you more freedom and independence on the move. For example, we have designed a new awning that can be set up quickly and easily. Our new 10-series left-right refrigerators revolutionise the way food and drinks are kept fresh in motorhomes and caravans.

### Harrier Lite

The Dometic Harrier Lite is Dometic's latest innovation in air conditioning and has been specially designed to fit small to medium sized caravans, pop-tops, and campers. Dometic has struck a balance between utilizing a lightweight, compact design, and an impressive heating and cooling performance. It comes featured with cool, white LED lights, and the dual-cylinder inverter compressor that the market has come to know through the highly sought-after IBIS 4.

### Dometic Dust Reduction System

Through its smart design, the Dometic Dust Reduction System (DRS) minimises the amount of dust, harmful airborne particles and pollens that can enter your caravan and remain suspended in the air for an extended time after stopping. To ensure top performance, the Dometic DRS has been developed using advanced computer modelling and has undergone extensive performance testing in Australia's dusty country with some seriously impressive results. The unit is fitted to the roof of the caravan and operates while the vehicle is in motion. There are no motors or electrical parts so there's no need for power!

### 8700 Awning

Enjoy your outdoor living space with the Dometic 8700 awning. The strong and effective awning will provide protection and shade from the sun. It's robust, secure and easy to set up, so that you can quickly create an extended living space.

### RMD10.5XS

Designed for smarter use of space, the Dometic RMD10.5XS is powered by a heat exchange system of cooling that makes the refrigerator run completely silently. It comes with an advanced smart door that can adapt to different layouts allowing you to store food and drinks conveniently. The refrigerator comes with a versatile interior and a customizable decor panel that can change to suit all your needs, perfect for your travels.

### Dometic PI8023

Our compact HBG hobs let you cook in the confined spaces of your mobile kitchen almost like at home. They are fitted flush with the worktop, and the knobs are ergonomically placed for convenient cooking control. When there are no pots and pans on the hob, you can close the glass lid to gain additional workspace and protect your hob at the same time.

### Dometic MO9722

A two burner gas stove and sink combination unit for RVs. It comes complete with durable safety glass lids that simultaneously provide protection and extra workspace when the unit is not in use.

### RTS160

Harness the power of the sun with the Dometic RTS160 rooftop solar panel. Perfect for off-grid adventures, this robust solar panel is an efficient and reliable source of energy. Tested to withstand extreme weather and harsh conditions on the road.

### Rally Air Pro

The iconic Rally AIR Pro benefits from years of continuous design improvements and is packed full of the latest awning innovations to enhance your touring experience. Its Weathershield™ Pro material, large windows and additional ventilation create a comfortable living space wherever you pitch-up. Not forgetting Dometic's unique Single Point Inflation system and QuickPitch™ webbing straps which ensure a fast and easy set-up every time.

### Dometic PerfectView M 55L AHD

Digital LCD technology with super-bright, energy-saving LED backlighting for excellent image quality in all light conditions. This flat and compact 12.7 cm monitor gives the perfect view for safe maneuvering. It is the core component of many Dometic reversing systems.

# CLIMATE

# BRIGHT PROSPECTS...

## Air conditioners, awnings and windows for a wonderful holiday experience

Most of us love travelling south, with hot summers and plenty of sunshine. But it can really heat up your motorhome even in moderate climates and make staying inside unbearable.

The alternative? Install a Dometic air conditioner to create your own climate, take a deep breath and enjoy! When you stop at a beautiful place, turn the area in front of your vehicle into a roofed patio with a

Dometic awning. It will treat you to many relaxing hours. Dometic windows and roof lights let light and air into the vehicle. Tailor-made blinds and fly screen systems work to keep prying eyes and insects out. That means, excellent prospects for you to have wonderful time on holiday.

**1. Air conditioners**  
Dometic supplies the widest selection of air conditioners, giving you plenty of flexibility – which is especially important if you are short of space. Our air conditioners have won numerous awards over the years, including the Miami Boat Show Innovation Award and, most recently, a Red Dot Design Award.

**2. RV awnings**  
Adventure further, stay for longer, and thrive wherever you pitch up with a Dometic awning. No matter what RV you have, Dometic has a style of awning to suit. We offer premium cassette awnings that mount directly onto the vehicle along with innovative and easy-to-use inflatable tent rooms that can remain standing on your pitch.

**3. RV windows**  
View our wide selection of RV windows that let the light in – and keep noise, cold, rain and unwanted guests out. Our windows can be installed with a vertical or horizontal orientation in order to accommodate your RV's window openings. Privacy and security are so important. That's why we provide high-quality windows and blinds that are both functional and virtually impossible to open without a key.

# AIR CONDITIONERS

# THE EFFECTIVE ECO-FRIENDLY AIR CONDITIONER OF CHOICE

The best in their class, these Dometic air conditioners are best sellers in the Australian mobile living market. The systems in this range feature clever design and are built to thrive in the harshest Australian conditions. Tried, tested and proven, these models have become Australia's favourites through their excellent cooling performance, energy efficiency and outstanding design.

## Dometic IBIS 4

Roof air conditioner

- Excellent cooling capacity of 2.6 kW
- Dimensions: 758 x 230 x 1112 mm
- Reduced noise levels compared to previous Dometic air conditioners, even at maximum speed
- Adjustable vents for even air distribution
- Lightweight rooftop unit at only 40 kg
- Four fan speeds, including a turbo speed
- Suitable for both 400 x 400 mm and 360 x 360 mm roof openings

## Dometic Harrier Lite

Roof air conditioner

- Dual-cylinder inverter compressor reduces vibration and is highly efficient
- Low fan noise with three standard speeds
- Cool white LED lights in the ADB which can be activated via the remote control
- Adjustable outlet vents with individual vertically adjustable airflow
- Connectivity with CI-BUS compatible control panels
- Lightweight for a low center of gravity
- Low profile rooftop unit

## Dometic Harrier Plus

Roof air conditioner

- Cooling capacity of 3.0 kW
- Dual cylinder inverter compressor means lower energy consumption, noise and vibration
- 4-speed fan including Turbo mode for rapid cooling or heating
- Low profile ADB with optimised airflow
- Lightweight at 44 kg
- Wide operating temperature range of -2 °C to +52 °C
- Fitment to both 360 and 400 mm roof opening sizes possible

## STAY SHELTERED

### Wall - Mounted Awnings

Dometic has been manufacturing high-quality awnings for many years. That's why we can offer you a wide range of wall mounted products for varying budgets and vehicle sizes.

### Accessories

Whether you want to add comfort or extra space for guests, our awning accessories will enhance your camping enjoyment. Transform your living space with a carpet, canopy, inner tent or other accessories.

## WALL MOUNTED AWNINGS

Ensure maximum enjoyment of your surroundings with comfortable, shaded and sheltered outdoor living space. Robust and easy to set up, our RV awnings are ready for action in tough environments.

### Dometic 8700 Awning

Wall mounted awning

Enjoy the great outdoors in shaded comfort wherever you are with the Dometic 8700 awning. The rugged and durable construction coupled with ease of operation makes it a perfect choice for RV enthusiasts. Relax under the shade and be protected from the sun's harmful rays with the UV protected polyester reinforced vinyl fabric. The quality heavy-duty material and protection properties aids in fading, scratching and mold prevention. The vinyl cushioned lift handle and cam lock system holds the awning secure for total control, which means it can be conveniently set up by a single person with ease. So you can spend more time relaxing and less on setting up.

- Heavy-duty vinyl with UV protection
- Total operator control where one person can easily open or close the awning
- Secure cam system allows for controlled extension and roll up of the awning
- Extruded alloy one-piece heavy-duty roller tube
- Die cast end caps create a polished finish
- Heavy-duty torsion spring assemblies and solid metal shaft
- Full extension length of 2.4 m

#### 1. Secure locking system

Cam lock system secures the awning for total control when extending and rolling up.

#### 2. Quality fabric

Heavy duty vinyl with UV protection.

#### 3. Stylish valance

Contemporary straight valance to suit all vehicles.

#### 4. Ease of use

Ergonomically designed vinyl cushioned lift handles.

#### 5. Durable materials

Die casted components and solid metal shaft to ensure longevity of awning.

#### 6. Safety first

Patented easy lock flipper provides additional security and confidence whilst travelling.

# INFLATABLE TENT ROOMS

Inflatable tent rooms offer the ultimate in touring convenience. All are quick to set up and completely freestanding, simply detach your tent room and leave it to reserve your pitch whilst you explore the local area in your vehicle.

## Rally Air Pro D/A

Enjoy more flexibility on your holiday

Designed to suit a wide range of caravan and motorhomes, Rally AIR Drive-Away awnings allows you to leave your awning on site while you explore the local area. The Single Point Inflation AirFrame technology ensures a fast set up with minimum fuss. Simply connect the awning tunnel to your vehicle by throwing the attached webbing straps over

the RV, or with the use of a driveaway kit. Conventional steel and fibreglass poles are replaced with interlinked inflatable AirPoles, enabling you to easily inflate and deflate the awning in no time at all. It also comes standard with a 2.2 l pump, 3.6 m connection straps, peg pack, manual and a carry bag.

### 1. Quickpitch™ guying system

Set up in seconds. Peg the bottom strap taut and adjust the buckle to apply tension.

### 2. Single point inflation

Single Point Inflation awnings inflate from just one external inflation point.

### 3. Adjustable awning tunnel

Configure the height of the connecting awning tunnel with adjustable webbing straps.

## Rally Air Pro 260 D/A

- Inflatable driveaway awning for motorhomes
- Single Point Inflation AirFrame technology makes set up easy
- Weathershield™ Pro double coated polyester fabric protects against wind, rain and UV rays
- QuickPitch™ Guying System saves time
- Dual-Pitch™ Roof System increases headroom, deflects wind and sheds water
- Adjustable awning tunnel

Dimensions W x H x D (mm): 2600 x 3000 x 2600  
Min. Connection Height (mm): 2200  
Max. Connection Height (mm): 3000  
Weight (kg): 32.16

# STATIC AWNINGS

Sit out and enjoy warm summer evenings with comfort and privacy. Driveaway models allow you to visit a nearby beauty spot or restaurant, leaving your detachable, freestanding awning up to save your pitch.

## Rally Air Pro

Transform your holiday

The Dometic Rally AIR Pro is an inflatable awning that offers an extended space attached to your caravan or motorhome. You can use it for weekend getaways or longer trips where all you want is a little bit of extra space and a roof over your head. The patented AirFrame technology in Dometic inflatable awnings and camping tents will transform your holiday. Conventional steel and fibreglass

poles are replaced with interlinked inflatable AirPoles, enabling you to easily inflate and deflate the awning in no time at all. It also comes standard with a draught skirt, peg pack, 2.2 l pump and a carry bag. Not forgetting Dometic's unique Single Point Inflation system and QuickPitch™ webbing straps which ensure a fast and easy set up every time. Ideal for weekend breaks and longer holidays.

### 1. Quickpitch™ guying system

Set up in seconds. Peg the bottom strap taut and adjust the buckle to apply tension.

### 2. Single point inflation

Single Point Inflation awnings inflate from just one external inflation point.

### 3. Internal return

Undo velcro and fold out rear bumper pads to create a tight seal to the motorhome side. Designed for use when attaching to a cassette awning.

# CAMPERVAN AWNINGS

This high-specification inflatable canopy for VW and other campervans is constructed using high quality Weathershield™ Pro material for long life and protection from the sun. The Single Point Inflation AirFrame makes set up easy and features a 'pop' design at the rear for improved headroom. This awning is a great way to extend your living space while also retaining the function of the sliding door.

## Sunshine Air Pro VW

Ultimate flexibility on camping adventures

The Dometic Sunshine AIR Pro VW is an inflatable static awning that offers an extended space attached to the side of your campervan. You can use it for day trips, weekend getaways or camping trips where all you want is a little bit of extra space and a roof over your head. It is easy to set up with the inbuilt designed AirPoles that simply need to

be pumped using the 2.2 l pump that comes included. It also comes standard with two guyropes, a clamp pole, three clamps, a peg pack, a manual and a carry bag. It's easy to carry anywhere and only weighs 8.5 kg.

### 1. Single point inflation

Single Point Inflation awnings inflate from just one external inflation point.

## STAY WITH A VIEW

Our wide selection of doors and windows let the light in – and keep noise, cold, rain and unwanted guests out. Privacy and security are so important. That's why we provide high-quality windows and blinds as well as doors that are both functional and virtually impossible to open without a key.

### RV Doors

If you are looking for a door that offers high quality, superior functionality and top-level security, you are in the right place. Dometic offers a wide range of door systems (including locker doors) – all of which have been thoroughly tested to ensure top-level performance. Entry doors come with or without windows and an optional full-size flyscreen.

### RV Roof Windows

There's no easier way to maximise the enjoyment of your journey than to get as much natural light as possible. Not only will you feel good, but your interior will also appear more spacious and welcoming. That's why we urge you to check out our roof lights. They are reliable, easy to install, long lasting – and available in numerous versions.

### RV Frame Windows

View our wide selection of RV windows that let the light in – and keep noise, cold, rain and unwanted guests out. Our windows can be installed with a vertical or horizontal orientation in order to accommodate your RV's window openings. Privacy and security are so important. That's why we provide high-quality windows and blinds that are both functional and virtually impossible to open without a key.

# RV ROOF WINDOWS

Anyone who likes a lot of daylight and fresh air in their motorhome or caravan has come to the right place. These classic “lift-and-tilt” roof lights are the biggest ones in the Heki range. They have been installed innumerable times and are highly valued for their quality, durability and ease of use. All models come with snug-fitting roller blinds and fly screens.

CONVENIENT OPENING

INDOOR COMFORT

MAXIMISE FRESH AIR

## RV Rooflights

There’s no easier way to maximise the enjoyment of your journey than to get as much natural light as possible. Not only will you feel good, but your interior will also appear more spacious and welcoming. That’s why we urge you to check out our roof lights. They are reliable, easy to install, long lasting – and available in numerous versions.

### Dometic Heki 2

Roof light

Pneumatic springs for easy opening

- Separately adjustable darkening and fly screens
- Forced ventilation
- Double acrylic glazing

Ref No. 9104104874

### Dometic Midi Heki LED

Roof light

Open and close the dome via push-up bar

- LED lights featuring day light white and night light blue
- Dome with new double acrylic glazing
- Separately adjustable darkening and fly screens
- Opening angle of 45 degrees
- Improved aerodynamics to reduce noise

Ref No. 9104120362

### Dometic Mini Heki Plus

Roof light

- Using handles, it can be placed in three different positions: fully open, half-open, and bad weather
- Separately adjustable darkening and fly screens keep light and insects out
- Forced ventilation maximises intake of fresh air
- 400 x 400 mm
- For roofs 43 – 60 mm thick
- Insulated dome with single acrylic glazing

Ref No. 9104119636

### Dometic Mini Heki Plus

Roof light

- Using handles, it can be placed in three different positions: fully open, half-open, and bad weather
- Separately adjustable darkening and fly screens keep light and insects out
- Forced ventilation maximises intake of fresh air
- 400 x 400 mm
- For roofs 25 – 42 mm thick
- Insulated dome with single acrylic glazing

Ref No. 9104119638

### Dometic Midi Heki Motorised

Roof light motorised

- An electric motor opens and closes the dome
- Dome with double acrylic glazing
- Separately adjustable darkening and fly screens
- Hassle-free cleaning

Ref No. 9104121627

### Dometic Midi Heki Crank

Roof light, crank version

- Opens to three positions: fully open, half-open, and bad weather position
- Dome with double acrylic glazing
- Separately adjustable darkening and fly screens
- Crank-operated
- LED Lighting
- Hassle-free cleaning

Ref No. 9104120383

## RV ROOF VENTS

Good air quality is essential if you want to enjoy your journey. Dometic provides flexible ventilation solutions to keep you (and your equipment) in good condition. Our roof window/vent comes with an integrated – and energy efficient – variable-speed fan for maximum comfort and convenience. Which means you can look forward to fresh air without it costing you a fortune. You can choose between manual and automatic operation.

### Dometic Dust Reduction System

Dust reduction system

- Filters out dust particles with a PM10 filter
- Dust filters can be easily replaced from inside the caravan
- Non-powered operation requires no opening or closing of vents

Ref No. 9600025579

### Fan-tastic Model 3350 Vent Fan

Roof Vent

- A built-in thermostat maintains your desired comfort level
- Three fan blade speeds (low, medium, high)
- Reverse switch controls the fan blade (OUT-exhaust or IN-intake)

Ref No. 9108879210

### Fan-tastic Model 7350 Vent Fan

Vent fan

- 14 fixed manual speeds or automatic variable speeds
- Reverse switch controls the fan blade direction (OUT-exhaust or IN-intake)
- Rain sensor with On/Off switch and automatic dome open/close switch

Ref No. 9108879212

## ACCESSORIES

To ensure you get the most out of your Dometic ventilation solution and/or roof light, we provide a broad selection of helpful accessories. These include installation, assembly and upgrade kits, inner frames, spoilers, vent covers and, of course, all the spare parts you need.

### Dometic Safety Net

Safety Net

# DUST REDUCTION SYSTEM FOR CARAVANS

## Dusty roads, here we come

Imagine being able to drive further whilst reducing the dust inside your caravan. With a rooftop ventilation system like the Dometic Dust Reduction System, you can significantly reduce the amount of dust in your caravan, breathe fresher air and reduce the cleaning time after caravan trips. Fitted on top of the caravan, this is a non-powered system that operates whilst driving. When stationary, it also provides 150 cm<sup>2</sup> free airflow ventilation. The patented design includes the PM10 filter that captures dust particles. It can also reduce harmful airborne particles and pollen that can remain suspended in the air for an extended time after stopping. It has been heavily tested in the

dusty regions of Australia and is proven to reduce dust even when directly behind a vehicle on a dirt road. The clever design also keeps the weather and elements outside. It will stop rain from entering the caravan, where the water is directed to outlets but if there is prolonged and heavy rain, water will become trapped in the filter holder where it will evaporate without entering the caravan. If required in highly windy conditions, there is a blocker plate that can be used to block the airflow through the main filter. Now you don't have the excuse of dust, wind or rain to stop you from heading off the beaten track and enjoying your time away from home even more.

## Benefits with DRS

- Significantly reduces the amount of dust, harmful airborne particles and pollens entering the RV
- Filters out dust particles with a PM10 filter
- Dust filters can be easily replaced from inside the RV
- Reduces cleaning time after RV trips
- Non-powered operation requires no opening or closing of vents
- Fits roof openings between 285 x 285 mm and 400 x 400 mm and roof thicknesses between 30 mm and 65 mm
- Low profile rooftop unit is extremely lightweight at approximately 5 kg

### 1. Stylish airflow grille

The grille allows airflow through the unit and prevents debris from entering the vehicle.

### 2. Modern design

Modern rooftop unit with a low profile and lightweight design.

### 3. Ease to use

Changing the air filter is simple thanks to the ceiling cover that is easy to open and close.

# CARAD DOORS A NEW ERA IN RV DOORS

Specifically designed to fit a wide range of recreational vehicles, the Dometic CaraD door range provides peace of mind with a number of world-class safety features. Available in alucobond or glass door, CaraD doors feature tried and tested, highly resistant safety mesh that is virtually indestructible.

ROBUST

LOCKING SYSTEM

HIGH-PERFORMANCE

## SECURE AND MODERN

The Dometic CaraD door is a modern caravan door designed with safety in mind. A key feature of the door is its highly resistant safety mesh. Tested by an independent company in Germany, the door can withstand 180 J of impact. The mesh will let air into your caravan without having to sacrifice your security. Another safety feature is the four-point locking system and an easy to operate chrome door lever, which ensures extra protection and comfort when travelling. It also includes a stylish integrated blind that blocks light from entering the caravan and provides additional privacy.

- Highly durable glass
- Highly resistant safety mesh
- Four-point locking system
- Easy to operate chrome door lever
- Integrated blind that blocks incoming light

### 1. Keep safe

Four-point locking system provides extra safety and comfort while traveling.

### 2. Block out

Integrated blind is ideal for blocking out the sun or to ensure privacy.

### 3. Secured

Window clip keeps panel in position when closed.

- / Portable Refrigeration
- / Refrigerators

# FOOD & BEVERAGE

# COOLING ON THE MOVE

Just because you're far from the nearest restaurant, it doesn't mean you can't enjoy a delicious meal, washed down with a cold beverage. Dometic's range of reliable, high-performance solutions will keep you well fed and refreshed.

## 1. Mobile cooking

Cooking outdoors is one of life's great pleasures. That's why we make every effort to satisfy the tastes of outdoor chefs around the world. Our cooking solutions are among the best you will find anywhere. Easy to set up, easy to use and easy to keep clean, you can look forward to making dinner (or lunch) to the sound of birdsong for many years to come.

## 2. Portable refrigeration

Specifically designed to fit all kinds of vehicles, the CFX3 Series is a range of compact portable compressor fridges and/or freezers to keep food and drinks well chilled or even frozen while out on the road. The range includes a variety of models including an ultra-compact cooler and one with two separate temperature zones for simultaneous cooling and freezing.

## 3. Refrigerators

We started out making refrigerators, so it's not surprising that more outdoor people use our cooling products than any other brand. Over the years, we have sold many millions of units. Dometic refrigeration solutions come with features you will not find anywhere else, including automatic locking systems, versatile racking, adjustable shelf guards and more.

9600019015

9600006441

The Dometic Slide Out Kitchen were a winner of the 2018 iF Design Award, a world-renowned design prize. 63 independent experts from all over the world were impressed by the Slide Out Kitchen's versatile functionality and lightweight aluminium construction. For 65 years, the iF Design Award has been recognised as an arbiter of quality for exceptional design.

## A REVOLUTION FOR THE RV KITCHEN SPACE

The future of cooking outdoors

Not only does the Dometic Slide Out Kitchen save valuable space, but its telescopic runners also make it quick and easy to pull-out and stow away after use. It provides all the kitchen essentials: a sink, double-side access storage, three-burner cooktop, and a chopping board. Various additional features can be added such as a bottle opener, cup and utensil holders. The kitchen's modular aluminium construction makes it lighter, while a generous amount of built-in storage keeps dining and cooking equipment safe and secure. Easy to install on most RVs thanks to its simple three-step installation method, the Small Slide Out Kitchen takes cooking outdoors to new levels of convenience!

### Dometic Small Slide Out Kitchen

Slide out kitchen, small

- Dedicated area for cooking, cleaning, and chopping

# OVENS

Ovens with grill and hob: cooking, baking and grilling on board

Why do without familiar ways of cooking food just because you are on the move? The MC101 and MC102 ovens give you a choice of fully fledged stoves. Treat your family to a delicious home-made meal wherever you are. Enjoy the sparkling sight of your kitchen or galley, and rest assured that everything is safe.

## MC101

Cooktop, Grill, Oven

- Spill friendly
- Easy to grab handles and knobs
- Spacious cooking with a generous 39 l oven and fan forced option
- Choose between electric hotplate or gas burners
- New grill shelves protect hands from getting burnt

Dimensions W x H x D (mm): 514 x 649 x 497  
Ref No: 9600006382

## MC102

Cooktop and grill

- Recessed surfaces drain away spillages
- Easy to grab handles and knobs
- Choose between gas burners or an electric hotplate
- Square corners to squeeze into tight spaces

Dimensions W x H x D (mm): 514 x 306 x 497  
Ref No: 9600006383

### 1. Maximize space

Square corners to squeeze into tight spaces

### 2. Spill friendly

Recessed surfaces drain away spillages

### 3. Convenient

Easy to grab handles and knobs

# CK SERIES

Rangehoods: Enjoy fresh air in your mobile kitchen

Dometic rangehoods quickly draw cooking fumes, odours and moisture out of the vehicle. They do their job just as well as your rangehood at home – with integrated lights, easy controls and a washable grease filter. Pick the model to suit your idea of comfort and the installation requirements of your motorhome, caravan or boat.

## Dometic CK150

Rangehood

- Quickly draws cooking fumes, odours and moist air out of the cabin
- Compact fan is integrated into the roof dome and not into the unit itself
- One fan speed equipped with 12 V motor

Dimensions W x H x D (mm): 401 x 70 x 165  
Weight (kg): 1.99  
Ref No. 9103303095

## Dometic CK155

Rangehood

- Quickly draws cooking fumes, odours and moist air out of the cabin
- Compact fan is integrated into the roof dome and not into the unit itself
- Two fan speeds equipped with 12 V motor

Dimensions W x H x D (mm): 399 x 71 x 277  
Weight (kg): 3  
Ref No. 9103303091

# GY SERIES

Roof ventilators: Get rid of kitchen fumes and unpleasant odours!

## Dometic GY11

Roof ventilator with motor

- Powerful motorised roof ventilator
- Adjustable two-speed fan
- Robust waterproof roof dome

Dimensions W x D (mm): 200 x 64  
Weight (kg): 0.6  
Ref No. 9107300318

# SNG SERIES

Sinks and drainers with a beautiful lid

Washing up, cleaning the place – do it all with style! SNG series sinks and sink/drainer combinations are practical to use, easy to clean and a pleasure to look at. All products in this product family come with a beautiful, heat-resistant glass lid.

## VA8006 – Square Sink with Lid

Square basin

- Integrated heat resistant safety glass lid offers extra workspace
- Low profile bench mount with rubber seal
- Tap fitting mounted inside
- Supplied with hole for tap (Ø 39mm)
- Designed to work with DW-WT02 tap (sold separately)

Dimensions W x H x D (mm): 420 x 440 x 146.5  
Weight (kg): 3.0  
Ref No. 9600029460

## VA7306 – Round Sink with Lid

Round basin

- Integrated heat resistant safety glass lid offers extra workspace
- Low profile bench mount with rubber seal
- Tap fitting mounted inside
- Supplied with hole for tap (Ø 39mm)
- Designed to work with DW-WT01 tap (sold separately)

Dimensions W x H x D (mm): 420 x 420 x 148  
Weight (kg): 2.4  
Ref No. 9600029463

# ACCESSORIES

## Dometic DM-WT01

Sink tap

- Made from long-lasting chrome plated brass
- Easy to use with the spout on the left-hand side and handle on the right-hand side
- Maximum water temperature of 75°C
- Maximum working pressure of 500 kPa
- Suitable for most motorhomes, caravans and camper trailers

Ref No. 9108400481

## Dometic Vacuum Sealer

Vacuum sealer

- Airtight seal to store food and keep it fresher up to five times longer
- Easy to pack for any trip
- Close the lid until it locks into place, press the START button and seal food in seconds
- Locks in flavour, colour and nutrition

Dimensions W x H x D (mm): 373 x 85 x 150  
Weight (kg): 1.41  
Ref No. 9108400481

## Dometic Vacuum Sealer Rolls

Sealer rolls

- 8" bag size
- Airtight seal to store food and keep it fresher up to five times longer
- Easy to pack for any trip
- Locks in flavour, colour and nutrition
- Eliminate freezer burn and wasted food
- For outdoor and indoor use
- Maximize fridge and freezer space

Dimensions W x H x D (mm): 90 x 45 x 203  
Weight (kg): 0.24  
Ref No. 9108400482

## Dometic Vacuum Sealer Rolls

Sealer rolls

- 11" bag size
- Airtight seal to store food and keep it fresher up to five times longer
- Easy to pack for any trip
- Locks in flavour, colour and nutrition
- Eliminate freezer burn and wasted food
- For outdoor and indoor use
- Maximize fridge and freezer space

Dimensions W x H x D (mm): 90 x 45 x 280  
Weight (kg): 0.33  
Ref No. 9108400483

## Dometic SKA-UH

Utensil holder

- Keep everything in one place, easily accessible during your cooking
- Utensil accessory for Dometic Slide Out Kitchen
- Made from durable PBT material which is resistant to solvents

Dimensions W x H x D (mm): 204 x 52 x 48  
Ref No. 9600014077

## Dometic SKA SKA Wind Deflector

Wind deflector

Ref No. 9600015515

# OUTDOOR COOKING

## Dometic CSG102

Portable gas stove

The Dometic CSG102 boasts high heat output of 20,000 BTU on the stove and comes complete with a hose that suits 3/8" BSP LPG cylinders. Remembering to bring matches or a lighter is a thing of the past thanks to the clever push-button Piezo ignition, which lights the burners in a matter of seconds. Avoid interruptions with the built-in

windshields, which are constructed with strong, powder coated pressed steel and cover the back and sides of the unit from exposure to wind and dust. When no longer in use, the windshields compactly fold into the unit for easy storage. The CSG102 portable gas stove is a great addition for the serious outdoor adventurer.

### Cook up a Storm

- 2 burners with a combined high heat output of 20,000 BTU
- Easy push-button Piezo ignition
- Integrated windshields double as a lid when not in use
- Robust powder coated pressed steel construction
- Folds into a compact size when not in use
- Comes ready for use with 3/8" BSP LPG suitable hose and regulator

Dimensions W x H x D (mm): 470 x 90 x 330  
Weight (kg): 4.1  
Fuel type: LPG  
Nominal gas input (g/h): 420  
Operating pressure (kPa): 100  
Ref No. 9600027160

OUTDOOR  
COOKING

## Dometic CSG103

Portable gas stove with grill

The Dometic CSG103 boasts high heat outputs of 20,000 and 3,500 BTU on the stove and grill respectively and comes complete with a hose that suits 3/8" BSP LPG cylinders. Remembering to bring matches or a lighter is a thing of the past thanks to the clever push-button Piezo ignition, which lights the burners in a matter of seconds. Avoid interruptions with the built-in windshields, which are

constructed with strong, powder coated pressed steel and cover the back and sides of the burners from exposure to wind and dust when in use. When not in use, the windshields compactly fold into the unit for easy storage. The CSG103 portable gas stove is the ultimate camp kitchen for any mobile master chef.

### Satisfy your Cooking Needs

- 2 burners with a combined high heat output of 20,000 BTU
- Integrated grill below cooktop with heat output of 3,500 BTU
- Easy push-button Piezo ignition
- Robust powder coated pressed steel construction
- Folds into a compact size when not in use
- Removable handle and grill tray included
- Comes ready for use with 3/8" BSP LPG suitable hose and regulator

Dimensions W x H x D (mm): 490 x 170 x 315  
Weight (kg): 5.6  
Fuel type: LPG  
Nominal gas input (g/h): 495  
Operating pressure (kPa): 100  
Ref No. 9600027161

OUTDOOR  
COOKING

#### 1. Compact

Folds down to a compact size for easy storage.

#### 2. Uninterrupted cooking

Three sided windshield protects against the elements.

#### 3. Piezo ignition

Push button ignition lights the burners in seconds.

#### 1. Built for the outdoors

Powder-coated pressed steel shell construction.

#### 2. Uninterrupted cooking

Three-sided windshield protects against the elements.

#### 3. Integrated grill

Simultaneous cooking and grilling.

## Dometic CSO103

Portable gas stove and oven

Take all your home cooking comforts with you on your next outdoor adventure with the Dometic CSO103 portable gas stove and oven. The CSO103 comes with two powerful brass burners, each with a 1.5 kW heat output and a powerful oven, big enough to cook a hearty meal for the family. Once connected to gas, simply turn the gas knob to initiate the Piezo ignition and begin cooking; remembering to bring matches or a lighter is a thing of the past. Integrated windshields

protect the burners from wind and dust, ensuring a peaceful cooking process each time. Once you've finished cooking and the CSO103 has cooled down, the stove and oven are easy to clean as the cooking plate and oven racks are removable and the cooking surfaces are covered with a non-stick enamel coating. With integrated, recessed carry handles, the Dometic CSO103 is easy to carry and move around the campsite when not in use.

COOKING

### Become a Mobile Masterchef

- 2 burners and oven with a high heat output of 1.5 kW and 1 kW respectively
- Easy push-button Piezo ignition
- Integrated windshields double as a lid when not in use
- Robust powder-coated pressed steel construction
- Integrated recessed carry handles for easy transportation
- Comes ready for use with gas hose, regulator and POL connector

Dimensions W x H x D (mm): 540 x 740 x 370

Weight (kg): 16.5

Fuel type: ULPG

Nominal gas input (g/h): 297.6

Operating pressure (kPa): 2.75

Ref No. 9600027162

#### 1. Built for the outdoors

Robust powder coated pressed steel construction with integrated recessed carry handles for easy transportation.

#### 2. Uninterrupted cooking

Three-sided windshield protects against the elements.

#### 3. Powerful oven

1 kW oven with two cooking racks.

# PORTABLE REFRIGERATION

THE POWER TO BE PRESENT

# THE ULTIMATE PORTABLE FRIDGE / FREEZER

Take control of outdoor adventures like never before with the Dometic CFX3. Enjoy fresher food at your fingertips thanks to Dometic's market leading VMISO<sup>3</sup> variable speed compressor with optimised software for better cooling, freezing and power consumption. The CFX3 features durable fender frames that protect the edges of the fridge/freezer, making it ideal for rugged trips. Strong, spring-loaded aluminium handles make it easy to lift and carry.

Set the cooling temperature of your CFX3 on the TFT display screen and pack all your favourite foods. Download the CFX3 app and roam free from worry. Once your CFX3 is connected through your phone, you can set the ideal temperature, and get a detailed history of energy consumption and temperatures. We also offer a range of accessories to get the most out of your fridge/freezer, including a durable insulated protective cover and a fridge slide for easy access to your favourite items.

### 1. User-friendly interface

Weatherproof high-resolution user interface displays operating status.

### 2. Convenient CFX3 App

Temperature control and performance monitoring via CFX3 app.

### 3. Rugged construction

ExoFrame construction protects the unit from damage.

### Benefits of CFX3

- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Gasket Technology provides a superior seal to retain cool air and minimise power consumption

### 6. Easy to carry

Strong aluminium carry handles.

### Dometic CFX3 25

Portable fridge or freezer, 25 l

- Generous storage capacity of 25 l to fit 33 cans
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Gasket technology provides a superior seal to retain cool air and minimise power consumption

### Dometic CFX3 45

Portable fridge or freezer, 46 l

- Generous storage capacity of 46 l to fit 67 cans
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Gasket technology provides a superior seal to retain cool air and minimise power consumption

### Dometic CFX3 35

Portable fridge or freezer, 36 l

- Generous storage capacity of 36 l to fit 50 cans
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Gasket technology provides a superior seal to retain cool air and minimise power consumption

### Dometic CFX3 55

Portable fridge or freezer, 55 l

- Generous storage capacity of 55 l to fit 85 cans
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Gasket technology provides a superior seal to retain cool air and minimise power consumption

### Dometic CFX3 55IM

Portable fridge with ice maker, or freezer, 53 l

- Generous storage capacity of 53 l to fit 83 cans
- Rapid Freeze Plate and included silicon ice trays produces ice in a matter of hours
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history

### Dometic CFX3 95DZ

Portable fridge and freezer, 95 l

- Generous storage capacity of 94 l to fit 133 cans (55 l and 39 l compartments)
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Dual storage compartments with independent temperature control for simultaneous cooling and freezing

### Dometic CFX3 75DZ

Portable fridge and freezer, 75 l

- Generous storage capacity of 75 l to fit 113 cans (45 l and 30 l compartments)
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminium alloy handles
- Powerful VMISO<sup>3</sup> compressor cooling technology efficiently refrigerates and deep-freezes to -22°C
- Easy-to-read high-resolution colour display and soft touch buttons enabling seamless control and monitoring of fridge/freezer performance
- CFX3 app allows temperature control via Bluetooth or WiFi and provides performance history
- 3-stage battery protection system prevents dead car battery or allows deep draw on dual batteries
- Dual storage compartments with independent temperature control for simultaneous cooling and freezing

The Dometic CFX3 portable fridge/freezer, was a winner of the Red Dot Award for Outstanding Design Quality. Jurors comprising of experienced experts from different disciplines from all over the world awarded the CFX3 portable fridge/freezer as a winner thanks to the product aesthetics and its ability to set new design standards in our industry.

# CFX3 PROTECTIVE COVERS

Accessories for the portable fridge/freezer range

Whether it's downhill, off-road, in the outback or in the backyard, the CFX3 protective covers provide the ultimate peace of mind for CFX3 owners. Not only does the thermoformed EVA and 1200D nylon construction protect the CFX3 from dirt, dust and damage, it also looks great in the back of the 4WD thanks to its elegant charcoal design. The tight-fitting four-piece design assembles with concealed zips and the clip-on lid cover means that detaching the lid cover to open the lid is a thing of the past. CFX3 protective covers come with integrated storage pockets for carrying power cords and other valuables. Equip a CFX3 portable fridge/freezer with a protective cover for the ultimate confidence to travel further and experience more.

- Made from tough 1200D nylon and thermoformed EVA
- Protects against dirt, dust, sand, moisture and water splashes
- Integrated storage pockets with zipper at the front and sides of the cover
- Four-piece design fits securely against the CFX3

CF/CFF SERIES  
**A VERSATILE PARTNER FOR LIFE'S GREAT ADVENTURES**

## CF Series

The compact CF series that can go anywhere with a handy shoulder strap (CF 11 only) and carry handles, the CF Series is a range of compact fridge/freezers that you can take anywhere. Super-slim and easy to fit in the smallest of spaces, the CF fridge/freezers can deep freeze food and drinks with minimal power consumption. Offering greater convenience the CF Series is even lighter than its predecessor thanks to its new compact compressor.

## CFF Series

A great partner for embarking on life's greatest adventures this series is designed to keep adventurers off the grid for longer, integrating impressive cooling or freezing with efficient interior storage. Whether it's storing for short stays, long trip dinners, or wine and soft drink bottles, the CFF series makes the most of its optimised capacity and allows everyone to enjoy everything cool that Dometic has to offer.

# CFF 70DZ PACK COMPRESSOR FRIDGE AND FREEZER

The Dometic CFF 70DZ Pack features dual storage compartments with independent temperature control for simultaneous cooling and freezing in any combination, making it a versatile portable fridge and freezer that is flexible, and remarkably user friendly. It comes with a digital electronic control system and can keep its interior as low as -18 °C. Enjoy the flexibility to choose between running the CFF 70DZ as a fridge, freezer or both, removing the boundaries when it comes to deciding what to pack for a trip. The CFF range was

designed for more effective use of storage space and temperature distribution, with dimmable digital displays making it easy to set and monitor in any ambient light. The CFF range is a perfect choice for the outdoor enthusiast to upgrade from a traditional icebox. The CFF 70DZ Pack includes an insulated cover that helps protect your fridge or freezer from dirt, dust, sand, moisture, and water splashes. This new insulated cover is the next step in caring for your CFF 70DZ.

## Dometic Coolfreeze CF 11

Portable fridge or freezer, 13 cans

- Extremely compact, super-slim design
- Refrigeration and deep-freezing
- With shoulder strap for easy transport
- Compact compressor, therefore light in weight
- 12 or 24 V DC, 100-240 V AC
- Storage volume 10.5 l
- Refrigeration from +10 °C to -18 °C

**Not available for sale in NSW.**  
For more information visit [dometic.com](http://dometic.com)

## Dometic CFF 20

Portable fridge or freezer, 21 l

- Total volume of 21 l fits up to six standard 1.5 l bottles or 27 cans (375 ml)
- Energy efficient design provides rapid cooling, even in high outside temperatures
- Robust, lightweight and compact design ensures excellent portability
- Strong handles for carrying convenience, can also act as safety tie down points
- Digital temperature display for easy monitoring and adjustment

## Dometic CFF 45 Pack

Portable fridge or freezer, 44 l, insulated cover included

- 44 l of storage for convenient cooling
- Double-sided lid for user-friendly opening
- Single compartment allows either refrigeration or freezing
- Can be set between 10 °C and -18 °C, with the ability to run at -18 °C up to 50 °C below ambient temperature
- Includes insulated cover with pockets for storing power leads and other fridge accessories

## Dometic CFF 70DZ Pack

Portable fridge and freezer, 70 l, insulated cover included

- 70 (40/30) l of storage for convenient cooling
- Dual storage compartments with independent temperature control for simultaneous cooling and freezing
- Can be set between 10 °C and -18 °C, in either compartment
- Includes insulated cover with pockets for storing power leads and other fridge accessories

# ACCESSORIES

## Dometic CFX-28 Fixing Kit

Fixing kit

- Suitable for the CFX3 25 & CFX 28

Dimensions W x H x D (mm): 250 x 30 x 422

Weight (kg): 1.9

Ref No. 9105306218

## Dometic CFX Fixing Kit

Fixing kit

- Suits all CFX portable fridge and freezers

Ref No. 9108300002

## Dometic CFX3-SLD3545

Fridge slide

- Suitable for use with CFX3 35, CFX3 45 and CFX 35W/40W, CFF 45, CF 40/50
- Maximum load capacity of 100 kg

Dimensions W x H x D (mm): 481 x 85 x 735

Extended: D1418 mm (inc. lever)

Weight (kg): 14.2

Ref No. 9610000651

## Dometic Coolpower RAPS72 Kit

Battery cradle

- Fits two RAPS battery kits
- Sturdy powder coated cradle
- Connection lead included

Dimensions WxHxD (mm): 232.2 x 215.2 x 450.1

Weight (kg): 1.04

Ref No. 9105303701

## Dometic Tropicool AC-UFK-T

Fixing kit

- Vehicle fixing kit for TCX 14/21 & TC 14/21
- For secure use of fridge/freezer while on the move
- For safe fastening of cooler
- Heavy duty straps

Ref No. 9105303709

## Dometic Coolfreeze AC-UFK

Fixing kit

- CF 25 - CF 60

Ref No. 9105303708

## Dometic CFX3-SLD55

Fridge slide

- Suitable for use with CFX3 55, CFX3 55IM and legacy CFX models of comparable size
- Maximum load capacity of 100 kg

Dimensions W x H x D (mm): 539 x 85 x 759

Extended: D1496 mm (inc. lever)

Weight (kg): 15.7

Ref No. 9610000652

## Dometic CFX-SLD75

Fridge slide

- Up to 100 kg max load capacity
- Secure fridge/freezer to slide with tie-down straps or screws from underneath

Dimensions W x H x D (mm): 580 x 79 x 940

Extended: D1710 mm (inc. lever)

Weight (kg): 20.5

Ref No. 9610000653

## Dometic CFX-SLD95/100

Fridge slide

- Up to 115 kg max load capacity
- Secure fridge/freezer to slide with tie-down straps or screws from underneath

Dimensions W x H x D (mm): 613 x 79 x 1011

Extended: D1850 mm (inc. lever)

Weight (kg): 22

Ref No. 9105306558

## Dometic Coolfreeze Fridge Stand

Fridge stand

- Up to 80 kg load capacity

Dimensions H x D (mm): 450 x 330

Weight (kg): 2

Ref No. 9108400101

## Dometic HWK-DC

DC Hardwiring kit

- 10 AWG cable with eyelets & 15 A blade fuse, 6 m
- Surface or panel mount
- Standard DC socket
- 2-pin threaded socket

Dimensions W x H x D (mm): 115 x 55 x 89

Weight (kg): 1.19

Ref No. 9600024832

NEW

7 YEAR WARRANTY

Our high performance Patrol iceboxes keep ice frozen for days. Built to last trip after trip with thick PU insulated walls, a single piece rotomoulded construction, and a full length hinge pin. More than just a box to put ice in, these iceboxes offer smart features like Patrol's leak proof drain, deep freeze lid seal and one hand rubber latch opening. For extra functionality, a clever accessory dock can house optional accessories including: a bottle opener, cup holder or fishing rod holder.

## DOMETIC PATROL

Through heat and dust, pouring rain and mud, Dometic Patrol iceboxes take it all in their stride. The robust one-piece rotomoulded polyethylene design makes the icebox tough enough for years of outdoor adventure. On hikes, rides and climbs, its dependable cool storage make the Patrol an ever present partner. Ready for the challenge, it dares you to go further because it can handle harsh treatment. And every scratch tells a story.

### Key Benefits

- Thick PU insulation keeps ice frozen for days
- Large, leak-proof drain makes cleaning easy
- Deep-freeze lid seal ensures no gaps for air to enter or escape
- Rugged construction with one-piece rotomoulded PE
- One-handed rubber latches for convenient opening and closing of the lid

#### 1. Large drain

Leak-proof drain for easy cleaning.

#### 2. Highly insulated

Keeps ice cold for days.

#### 3. Easy access

Open with one hand thanks to convenient rubber latches.

#### 4. Tough design

One-piece rotomoulded polyethylene.

#### 5. Convenient dock (optional)

Multi use dock with cup holder, bottle opener and rod holder.

#### 6. Customisable

Each box comes with a set of stickers for personalisation.

## STAY COOL

### RV Refrigerators

Are you in the market for a new refrigerator? A fitted model or a freestanding one? Choose from the most comprehensive range currently available. If you'd like the option to use gas for cooling, take a look at our noiseless absorption appliances. They are ultra convenient, even when powered with electricity. Our compressor refrigerators provide high performance cooling regardless of ambient temperatures. They run on battery power and are tailor made for operation, using a solar power system.

### Truck Refrigerators

What is your way of having a break? Are you the "just grab a snack while driving" type? Or do you feel like something more substantial now and then? Is food storage for longer journeys an issue for you? Or are you in the market for a matching refrigerator to fill an unused corner of your truck cab? Whatever it is, Dometic has the right refrigerator to suit your take a break habits, your vehicle and your budget.

### Boat Refrigerators

Are you looking for a new refrigerator? A space saving fitted model or a freestanding one with ample capacity for a longer cruise? We have put together a collection of cooling solutions that satisfy every need – compact and mid sized drawer fridges, top loaders using the depth of the cupboard space and freestanding premium refrigerators well equipped like your refrigerator at home.

# REFRIGERATORS

## Coolmatic CRX Series

Cooler than ever

The CRX Series of refrigerator is a veritable chameleon. It's a fridge, it's a fridge-freezer and it's a freezer. This patented invention is down to the removable freezer compartment and smart electronics that regulate the compressor speed, simultaneously saving energy. The freezer compartment can simply be pulled out to make a larger fridge or short-term freezer and the desired temperature manually set. (CRX 110 and 140 does not include removable freezer compartment).

- Variable Motor Speed Optimisation ensures excellent energy efficiency
- CFC-free polyurethane foam provides excellent insulation
- Fully hermetic compressor with integrated control electronics
- Ambient temperature controlled fan speed to reduce noise

### 1. Adjustable shelves

Easily change the height of the shelves to suit any size bottle.

### 2. Two in one

The fridge's control panel also has an integrated light.

### 3. Organised storage

The fridge interior is well organised with shelves.

### 4. Seperate storage

The separate compartment is ideal for storing fresh fruit and vegetables.

# LS SERIES

Ventilation grills

Ventilation grill for single and double-door models: Attached to the outside of the vehicle. Specially designed ventilation system for mounting on the outside wall of the vehicle. Built to prevent energy wasting heat accumulation behind the fridge. In addition, they allow easy access for service and maintenance without removing the fridge.

The lower ventilation grill leads cold air behind the refrigerator while the upper grill allows hot air to escape. Consists of a mounting frame, exhaust stake, grill with fly screen and winter protection. LS 300 vents are designed for models with two doors, which can be used for both top and bottom.

### Dometic Ventilation Grill LS300-B

Black ventilation grill

- Avoid wasting energy by removing heat which builds up around your fridge
- The lower grill allows cool air in while the upper grill allows warm air to escape
- Suitable for Dometic single-door models of fridge

Dimensions W x H x D (mm): 518 x 278 x 42  
Ref No. 9600003022

### Dometic Ventilation Grill LS300

White ventilation grill

- Avoid wasting energy by removing heat which builds up around your fridge
- The lower grill allows cool air in while the upper grill allows warm air to escape
- Suitable for Dometic single-door models of fridge

Dimensions W x H x D (mm): 518 x 278 x 42  
Ref No. 9600003033

## RM SERIES

Cool food and drink on the go for any mobile space

For keeping food and drink cool and fresh while on the road, the Americana refrigerators are reliable, efficient and stylish. The internal layout is well designed to maximize capacity. Available in a range of sizes and a choice of single or double doors, the Americana is designed to suit a wide range of needs – all at an affordable price.

### Absorption Refrigeration for 12 V, 240 V and Gas

- Famous 3-way silent operation LP Gas, 12 V and 240 V
- Performance enhanced cooling units - designed and manufactured for harsh Australian conditions
- UES models (RM 2356) allow the user to simply turn the refrigerator on and the refrigerator will select the best available energy source; 240 V being its first option then sourcing 12 V (sense when your engine is running) and gas thereafter
- Doors can be hinged from right to left opening
- Friendly to the environment - CFC free
- Door panels are replaceable to suit any décor
- Automatic flame failure safety device shuts off the gas supply if the flame is extinguished
- Flame indicator for gas operation (manual models only)
- Lockable doors for travelling
- Magnetic door seals
- Full 3-year warranty

### Choose from 4 options:

1. Manual control
2. MES: Manual Energy Selection with Automatic Gas Ignition
3. AES: Automatic Energy Selection (fully automatic)
4. UES: Universal Energy Selection (switchable between MES & AES)

### Dometic RM 2350

Absorption refrigerator, 90 l

- Gross capacity of 90 l
- Dimensions: 556 x 577 x 766 mm
- Cut-out dimensions: 521 x 520 x 756 mm
- T-rated cooling unit ensures excellent performance in all conditions
- Manual Energy Selection (MES)
- Powerful absorption refrigeration technology
- No moving parts results in completely silent operation

Weight (kg): 29  
Ref No. 9105304001

### Dometic RM 2356

Absorption refrigerator, 95 l

- Patented UES (Universal Energy Selection) control system that is switchable between manual (MES) and automatic energy select (AES)
- Same cut out size as most 0.85 cubic metre models but 10% bigger inside
- User friendly control panel featuring LED indicator lights
- Generous door and wall insulation for greater performance
- Includes hinge kit to easily change the door's opening direction
- Easy access to inter

Weight (kg): 28  
Ref No. 9105305687

### Dometic RMD10.5XS

Absorption refrigerator, 173 l

- Smart door that can be changed from the left-hand side to right-hand side with ease
- Interior parts comply with food safety regulation
- User-friendly control panel featuring LED colour display
- Flexible interior storage with crispers
- Detachable door decor panel can be customised
- Smart lock system
- Noiseless absorption cooling

Dimensions W x H x D (mm): 526 x 1246 x 622  
Weight (kg): 52.5  
Ref No. 9600028656

# HYGIENE & SANITATION

A young woman with long, curly brown hair is brushing her teeth in a bathroom. She is wearing a yellow t-shirt. In the foreground, another woman with long, curly brown hair is standing with her back to the camera, wearing a white t-shirt. The bathroom has a sink, a mirror, and a red towel hanging on a rack. The text 'HYGIENE & SANITATION' is overlaid in large white letters across the center of the image.

# WHEN NATURE CALLS

## RV Toilets

Compromising on sanitation affects your well-being and prevents you from really relaxing. In addition, the space in a recreational vehicle is very confined and the time you spend in it is far too precious. Treat yourself to a mobile toilet from Dometic and enjoy the comforts of home wherever you go.

## Boat Toilets

Convenient, space-saving hygienic comfort for your boat. The portable toilets from Dometic combine many useful functions in the smallest of spaces.

## Accessories

To keep your sanitation equipment clean and in good working order, we supply everything you need in the way of accessories. These include retrofit kits, spare parts, a comprehensive range of cleaning products and renew kits – allowing you to upgrade your toilet system without investing in a new one.

# RV TOILETS

Sometimes all you need to know is that you are choosing a comfortable, clean and safe toilet. The Saneo ceramic toilet is unrivalled in the conscientious design involved in ensuring your ultimate well-being is always protected. This ceramic toilet has patented safety features. We care and we think about it, so that you don't have to.

## Dometic Saneo CLP

Ceramic low-profile cassette toilet, 16 l

- Low profile console that is lightweight and allows more space at the top of the console
- Suitable for RVs with tight spaces
- Scratch-resistant, very easy to clean ceramic inlay
- Insens Touch Control Display
- Ergonomically shaped, comfortable seat
- Bowl can be adjusted up to 90° in both directions
- Built-in breather tube on the cassette helps to remove odours

Tank capacity wastewater: 16 l  
Dimensions W x H x D (mm): 377 x 496 x 602  
Weight (kg): 13  
Ref No. 9600023296

## Dometic Saneo CS

Cassette toilet

- Scratch-resistant, very easy to clean ceramic inlay
- Insens Touch Control Display
- Ergonomically shaped, comfortable seat
- Bowl can be adjusted up to 90° in both directions
- Prepared for the SOG exhaust system

Tank capacity wastewater: 16 l  
Dimensions W x H x D (mm): 377 x 680 x 602  
Weight (kg): 13.6  
Ref No. 9107100658

## Dometic Saneo BLP

Plastic low-profile cassette toilet, 16 l

- Low profile console that is lightweight and allows more space at the top of the console
- Suitable for RVs with tight spaces
- Scratch-resistant, very easy to clean ceramic inlay
- Insens Touch Control Display
- Ergonomically shaped, comfortable seat
- Bowl can be adjusted up to 90° in both directions
- Built-in breather tube on the cassette helps to remove odours

Tank capacity wastewater: 16 l  
Dimensions W x H x D (mm): 377 x 496 x 602  
Weight (kg): 10.4  
Ref No. 9600023297

### 1. Anti-splash

Ceramic bowl prevents splash back and improves ventilation.

### 2. Robust materials

Ensure reliable and long product life.

# CT4000

A perfectly designed range of toilets for motorhomes. The toilets within this CT4000 range are perfect for motorhomes as they are lightweight, functional and beautifully designed with a high-quality ceramic inlay bowl for a scratch resistant, hygienic finish. They can also be retrofitted with the SOG air ventilation system for an ultra fresh adventure into the unknown.

## Dometic CTS 4110

Cassette toilet

- The scratch-resistant ceramic inlay is also easy to clean
- It is 30% lighter than purely ceramic toilets
- An anatomically respectful design
- Seat adjustable by up to 90° in both directions to accommodate space
- Simple and accessible control panel

Tank capacity wastewater: 19 l  
Dimensions W x H x D (mm): 382 x 672 x 530  
Weight (kg): 12  
Ref No. 9107100618

### 1. Optimised bowl design

The ergonomic toilet bowl ensures comfort.

### 2. High power flush

Optimised flush ring and vacuum breaker for impressive flushing capacity.

# 500 SERIES

The premium quality 500 series of gravity flush toilets install into a diverse range of boats.

## Dometic 510

Gravity Toilet

- Low-flush water consumption: less than 390 ml per flush
- Pedal flush requires no electric power
- Elongated enamelled wood seat and residential-style deep bowl for enhanced comfort
- Proven in thousands of marine applications
- Integral vacuum breaker protects water supply

Dimensions W x H x D (mm): 387 x 476 x 521  
Weight (kg): 17  
Ref No. 9108552866

## Dometic 511 PS

Gravity-Flush Toilet

- This gravity drop toilet requires no electricity
- Efficient: the patented flush uses less than 0.5 l of water
- Robust by design, yet elegant in appearance with a high gloss china finish
- Designed to be installed directly above a holding tank with an air tight seal
- Available in sparkling white
- Integrated vacuum breaker protects the water supply

Dimensions W x H x D (mm): 438 x 372 x 521  
Weight (kg): 16.6  
Ref No. 9108685758

### 1. Quality ceramic

High-quality lightweight ceramic inlay is scratch-resistant and easy to clean.

### 2. Ergonomic design

Adjustable seat height ensures maximum comfort.

### 3. Compact

Small footprint saves valuable space.

# PORTABLE TOILETS

## 970 Series

The 970 series of portable toilets provide comfort, simplicity and the latest technology. When on the move, people wish for the comforts of home and the 970 Series of portable toilets provides just that. The powerful touch-button flush technology sets this toilet range miles apart from their competitors as no pumping or batteries are required. They are available in two sizes with an adult-sized seat comfortable beyond words.

### Dometic 972

Portable toilet

- High-strength ABS construction withstands harsh environments; smooth, easy-to-clean finish
- Prismatic tank level indicator allows easy tank level monitoring
- Push-button flush clears bowl instantly
- Full-size seat for comfort; latching lid for security

Dimensions W x H x D (mm): 334 x 318 x 387  
Weight (kg): 5.44  
Ref No. 9108552682

### Dometic 976

Portable toilet

- High-strength ABS construction withstands harsh environments; smooth, easy-to-clean finish
- Prismatic tank level indicator allows easy tank level monitoring
- Push-button flush clears bowl instantly
- Full-size seat for comfort; latching lid for security

Dimensions W x H x D (mm): 334 x 387 x 387  
Weight (kg): 6.35  
Ref No. 9108552688

#### 1. Less pump

This effective system requires less pump action.

#### 2. Push button operation

A simple push button operation.

#### 3. Less mess

Less mess due to an extra-long pivoting discharge spout.

# ACCESSORIES

### Dometic Brush & Stow

Toilet cleaning brush  
Ref No. 9600005999

### Dometic Dryroll

Water tight tissue dispenser  
Ref No. 9600024493

# CLEANING

## Additives & Consumables

Domestic provides a complete line of innovative products to help keep your sanitation systems clean and comfortable. These include eco-friendly tabs and fluid additives for holding and flushing tanks, multi-purpose cleaners and much more.

### Domestic Powercare Tabs

Sanitation additive

- No spills or mess
- The dose is pre-measured so no possible overdosing and waste
- Easy storage in a handy tub
- Suitable for all portable and cassette toilets
- Fast breakdown of waste without the build-up of unpleasant gas or odours
- Lighter in weight and less cumbersome than liquids
- Ready to use tabs in a soluble film

Ref No. 9600000125

### Domestic Greencare Tabs

Sanitation additive

- An environmentally friendly toilet tab that doesn't cost the earth
- The dose is pre-measured – preventing overdose and waste
- No spills or mess
- Suitable for all portable and cassette toilets
- Fast breakdown of waste without the build-up of unpleasant gas or odours
- Ready to use tabs in a soluble film
- Lighter in weight and less cumbersome than liquids

Ref No. 9600000133

### Domestic Extra Care Pink

Sanitation additive

- Provides a micro-thin protective layer against stains
- Protects the workings of your toilet to ensure a smoother flush
- Pleasant fragrance from an integrated deodoriser
- Suitable for all portable and cassette toilets

Ref No. 9107200001

### Domestic Extra Care Blue

Sanitation additive

- A new and improved formula where one dose can last up to four days
- Highly effective at breaking down waste and preventing nasty odours
- Works even after freezing and thawing
- Has a handy dose measuring strip on the bottle
- Has a fresh and pleasant fragrance

Ref No. 9107200002

# POWER & CONTROL

# TEC GENERATOR: 230V ANYTIME, ANYWHERE

2 YEAR WARRANTY

## Dometic Tec 29

Petrol generator

- Small footprint for flexible internal or external mounting
- Inverter technology – 230 V  $\pm 1\%$  pure sine wave with total distortion maximum 1 %
- Low unleaded petrol fuel consumption, generator RPM adjusts to the load applied at max 1.2 l/h
- Stainless steel cabinet
- High continuous and peak output power (2600/2900 W)
- Parallel connection to boost power to 4800 W
- Bonded earth to neutral for RCD fitment

Dimensions W x H x D (mm): 480 x 290 x 385  
Weight (kg): 44  
Ref No. 9102900291

# GENERATOR

## Dometic PGE121

Portable inverter generator, 2100 VA

Never be caught without a reliable source of power with the Dometic PGE121 portable inverter generator. The Dometic PGE121 boasts powerful pure sine wave inverter technology with a maximum power output of 2100 VA. Fuel efficiency is maximised and noise is minimised thanks to the clever eco-mode technology which adjusts the engine

RPM based on the connected load. You can run even the most sensitive appliances in the way that's most convenient for you, with three output types available: 12 V DC, 240 V AC, and USB. Moving the PGE121 around the campsite is easy, with built-in wheels and an extended handle ensuring that no heavy lifting is required.

### Stay as long as you like

- Powerful pure sine wave inverter technology
- High peak power output of 2100 VA and continuous output of 1800 VA
- Retractable handle and robust wheels for easy transportation
- Can be easily stored upright or on its side when the fuel is turned off
- Outputs include 2 x 240 V AC sockets, 1 x 12 V DC socket and 2 x USB sockets
- Output power can be boosted with an optional parallel connection

Dimensions W x H x D (mm): 530 x 430 x 320  
Weight (kg): 26.5  
Fuel tank capacity (l): 4.2  
Engine oil capacity (l): 0.35  
Fuel: 4-stroke Unleaded petrol  
Ignition system: CDI  
Ref No. 9600027157

# CHARGERS

## Dometic PBC110

Portable battery charger, 10 A

Stay for longer on your next outdoor adventure with the Dometic PBC110 portable battery charger, perfect for keeping common battery types at full charge, including LiFePO4, AGM, GEL and Sealed Lead Acid batteries. A safe and reliable charge is guaranteed thanks to the PBC110's adjustable charging current output, which can be switched between 2 A, 5 A and 10 A, and its internal protection systems, which prevent reverse polarity, short-circuiting and internal

overheating. Overheating protection is achieved by the PBC110's built-in temperature sensor, which adjusts the charging curve based on the ambient temperature. The PBC110 is easy to use, with simple push-button operation to select charging current or battery type and a user-friendly LED interface that displays the charging status, power output and any errors in maintaining a charge.

### Never be without a reliable source of power

- Adjustable charging current for maintaining a perfect charge
- Can charge common battery types, including LiFePO4, AGM, GEL and Sealed Lead Acid batteries
- Protection systems prevent reverse polarity, short-circuiting, and internal overheating
- Temperature sensor automatically adjusts charging curve based on ambient temperature
- Wall and floor mountable

Dimensions W x H x D (mm): 205 x 52 x 90

Weight (kg): 1

Input voltage AC (V): 220 - 240

Output voltage (V): 12

Maximum output current (A): 10

Battery types: AGM, Lithium Iron Phosphate (LiFePO4), GEL, Sealed Lead Acid

Ref No. 9600027158

#### 1. Led user interface

Displays battery charging status and power output.

#### 2. Flexible mounting

Lightweight, portable and durable design. Can also be securely mounted to a wall.

#### 3. The complete package

Comes packaged with a 1.8 m cable with alligator clips.

## Perfectcharge MCA

IUOU automatic charge

Starter batteries and supply batteries are designed for different tasks. To start the engine, starter batteries must initially supply a high current level and will then serve as an energy buffer with smaller partial cycles. Supply or on-board batteries, in contrast, are discharged at lower current levels over longer periods of time and then charged again. This means they are subjected to considerably higher loads.

These special features must be considered by the charging technology to protect the batteries from damage and ensure they have a long service life. The IUOU battery chargers function using a unique six-stage charging cycle. They provide optimum charging for all gel, AGM and wet batteries, because they charge quickly and gently at the same time.

### Dometic Perfectcharge MCA1215

Battery charger

- 15 A charger
- Gentle charging of 12 V batteries with optimised 6-stage IUOU charging technology
- Simultaneous charging of one battery plus the starter battery
- Very compact design, lightweight and easy to install
- Sleep mode for quiet charging at half power - ideal at night or in parking spaces with low electrical circuit protection
- Comes standard with a bus interface for smooth integration in existing bus systems
- Compatible with the Dometic MPC 01 battery controller for perfect power management

Dimensions W x H x D (mm): 179 x 63 x 238

Weight (kg): 1.6

Ref No. 9108400809

### Dometic Perfectcharge MCA1225

Battery charger

- 25 A charger
- Gentle charging of 12 V batteries with optimised 6-stage IUOU charging technology
- Simultaneous charging of one battery plus the starter battery
- Very compact design, lightweight and easy to install
- Sleep mode for quiet charging at half power - ideal at night or in parking spaces with low electrical circuit protection
- Comes standard with a bus interface for smooth integration in existing bus systems
- Compatible with the Dometic MPC 01 battery controller for perfect power management

Dimensions W x H x D (mm): 179 x 63 x 238

Weight (kg): 1.7

Ref No. 9108400810

### Dometic Perfectcharge MCA1235

Battery charger

- 35 A charger
- Gentle charging of 12 V batteries with optimised 6-stage IUOU charging technology
- Simultaneous charging of one battery plus the starter battery
- Very compact design, lightweight and easy to install
- Sleep mode for quiet charging at half power - ideal at night or in parking spaces with low electrical circuit protection
- Comes standard with a bus interface for smooth integration in existing bus systems
- Compatible with the Dometic MPC 01 battery controller for perfect power management

Dimensions W x H x D (mm): 179 x 63 x 274

- Inverter operation by remote control
- On/Off and sleep mode switch
- Standby and power-save modes indicated by LED

Dimensions W x H x D (mm): 58 x 72 x 25  
Weight (kg): 0.04  
RefNo. 9108400853

# BATTERIES

## Dometic PLB40

Portable lithium battery, 40 Ah

The Dometic PLB40 Ah Lithium Iron Phosphate battery delivers high levels of mobile power – this means that one full charge of the PLB40 allows campers to get the most out of their trip when they're living mobile. Designed for powering portable fridge/freezers and other 12 V appliances while being off-grid. Thanks to its lightweight and compact design you can enjoy true independence and travel off-grid for longer.

- Enables you to travel off-grid for longer
- Three-way charging via 12 V socket, solar panel or AC house power
- Extremely lightweight, ergonomically designed stainless steel carry-handle
- Built-in LCD screen displays: capacity, charging status and output
- Specifically designed for Dometic CFX and other powered fridge/freezers
- Powerful battery cells provide 512 Wh of energy, 40 Ah
- Can power a Dometic CFX3 45 fridge/freezer for up to 53 hours on a single charge (inside temperature +5 °C)

Dimensions W x H x D (mm): 197 x 257 x 197  
Weight (kg): 7.54  
RefNo. 9600009460

### 1. USB Ports

Ideal for charging mobile devices.

### 2. Bring to any remote location

Lightweight and ergonomically designed stainless steel handle.

### 3. Easy to use

Built-in LCD screen displays charging status and output.

### 4. Three-way charging

Via 12 V socket, solar panel or AC house power.

## Dometic Coolpower RAPS44

Battery pack

- Dual output sockets (12 V and Hella)
- 44 Ah deep cycle AGM battery cells
- Benefits of dual battery systems that are normally fitted permanently into cars, 4WD's, trucks and boats, except that it is portable, for added flexibility and convenience.
- Built-in charging posts for charging via 240 V DC charger (charger not included)
- 1.5 m 12 V charging lead
- Battery condition LED's/test button
- Rechargeable via solar panels

Dimensions W x H x D (mm): 230 x 245 x 227  
Weight (kg): 13.5  
RefNo. 9105330164

# SOLAR PANELS

## Dometic Portable Solar PS120A

Portable solar panel

- Fold up easily and is compact
- Battery temperature sensor
- Adjustable feet for optimum angle to the sun
- 12 V, 10 A heavy duty regulator
- High performance monocrystalline silicon 6.63 a output
- 5 m lead with alligator clips anderson plug connector
- Lightweight at only 12.25 kg with cables and protective carry bag included

Dimensions W x H x D (mm): 534 x 754 x 70  
Weight (kg): 12.25  
Ref No. 9108400883

## Dometic Portable Solar PS180A

Portable solar panel

- Folds up easily and is compact
- Battery temperature sensor
- Three adjustable feet for optimum angle to the sun
- 12 V, 20 A heavy-duty regulator
- High performance monocrystalline silicon 9.95 a output
- 5 m lead with alligator clips anderson plug connector
- Lightweight at only 17 kg with cables and protective carry bag included

Dimensions W x H x D (mm): 538 x 758 x 115  
Weight (kg): 17  
Ref No. 9108400917

## Dometic RTS 160

Solar panel

- Easy to install with mounting brackets
- Withstands extreme conditions including strong wind and snow
- Strong yet lightweight aluminium frame
- Integrated with two bypass diodes to prevent cell damage from overheating
- Efficient monocrystalline silicon cells
- Topped with durable tempered glass
- IP65 junction box protects against dust and water

Dimensions W x H x D (mm): 1480 x 35 x 670  
Weight (kg): 10.5  
Ref No. 9600028740

# ACCESSORIES

## Dometic Coolpower RAPS72 Kit

Battery cradle

- Fits two RAPS battery kits
- Sturdy powder coated cradle
- Connection lead included

Dimensions W x H x D (mm): 232.2 x 215.2 x 450.1  
Weight (kg): 1.04  
Ref No. 9105303701

## Dometic SC1230

30 A solar charge controller

- 3 stage intelligent PWM solar charging
- Twin USB ports
- Low voltage disconnect
- Suitable for use with a range of battery types
- Informative backlight LCD display
- Operating temperature range of -25°C - +55°C
- Multiple load control modes

Dimensions W x H x D (mm): 181 x 100.9 x 59.8  
Weight (kg): 0.55  
Ref No. 9600005819

## Dometic BK 150mm Dometic BK 300mm

Bracket

- Made from durable materials
- Easy to install to the rooftop of RVs
- Allows airflow to circulate under the solar panel

Ref No. 9600005820 (150 mm)  
Ref No. 9600006224 (300 mm)

# ACCESSORIES

## Electronics

Accessories for fridge/freezers and refrigerators

No need to accept any restrictions in the use of your cooling box, even if you have a simple or older make. CoolPower accessories give you plenty of flexibility. You can run a 12 V device from a 24 V battery,

or from a mains supply in your holiday home. You can also connect a clever device to prevent excessive battery drainage.

## Dometic Coolpower MPS-50

Power adapter

240 V AC to 12 V DC rectifier adapter for problem free connection to 110–240 V mains systems. Suitable for Dometic compressor CD and CU models. Comes with switch mode for automatic priority of mains operation and integrated cigarette lighter socket.

- Adapter for problem free connection to 110–240 V
- Suitable for Dometic compressor CD and CU models
- Includes switch mode for automatic priority of mains operation

Dimensions W x H x D (mm): 120 x 70 x 200  
Weight (kg): 1  
Ref No. 9109002476

## Dometic Coolpower EPS-157

Power adapter

This rectifier adapter converts 240 V AC to 12 V DC power. Ideal for the connection of listed DC compressor driven fridges and freezers. Suitable for all other 12 V thermoelectric coolers or as a universal power unit via the vehicle's integrated cigarette lighter socket.

- Maximum power consumption of 72 W
- Ideal for use at home, in a hotel, or on a campsite
- Suitable for CF, CDF, MDC fridge/freezer models

Dimensions W x H x D (mm): 115 x 64 x 170  
Weight (kg): 0.6  
Ref No. 9109002086

# AWARDS

The Dometic PLB40 portable lithium battery pack, was a winner of the Good Design Award for Excellence in Design and Innovation. Judges awarded the PLB40 portable lithium battery pack as a winner thanks to its ability to meet criteria for Good Design, Design Innovation and Design Impact.

The Dometic PLB40 portable lithium battery pack, was a winner of the iF Design Award, a world-renowned design prize. 67 independent experts from all over the world were impressed by the PLB40 portable lithium battery pack's powerful Lithium Iron Phosphate battery cells and lightweight, portable design. For 66 years, the iF Design Award has been recognised as an arbiter of quality for exceptional design.

The Dometic PLB40 portable lithium battery pack, was a winner of the Red Dot Award for Outstanding Design Quality. Jurors comprising of experienced experts from different disciplines from all over the world awarded the PLB40 portable lithium battery pack as a winner thanks to its performance and stability that characterise this well-thought-out mobile device.
